When we were in need of an ear
to bend, they were there to
listen.

When we were in need of a voice
to counsel, they were there
with honest criticism.

When we were in need of laughter,
they were there with their
levity.

When we were in need of energy
and motivation, they were
there with encouragement and
a challenge.

They were there to see us
through our skepticism and
lead us to believe that we
exist as the adults of a
brighter tomorrow.

All our dreams, all our hopes,
and all of our aspirations
were understood through the
love of two very dynamic
educators.

We are proud to return that
unforgettable love, through
the dedication of our yearbook.

To Thom and Kiki,

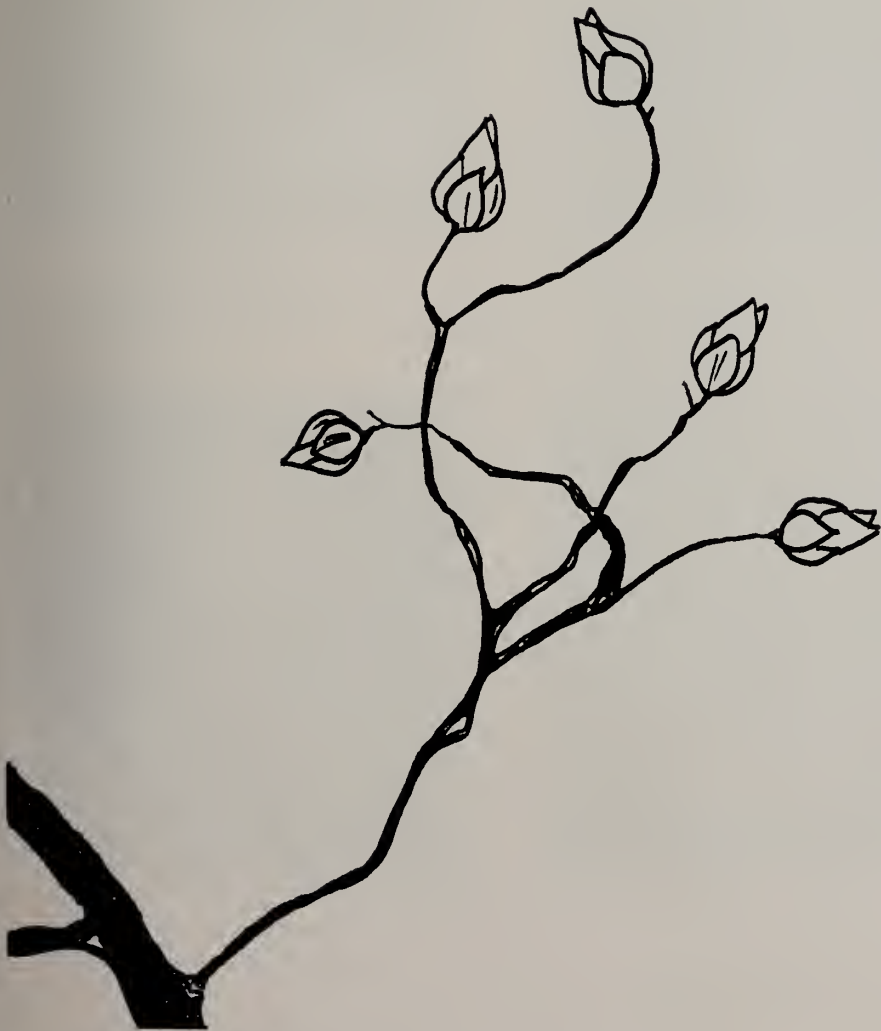

with love and gratitude

Ilka Raddi

This year will be unforgettable for me. Here I have found a lot of new friends, and I can tell you: Ipswich has wonderful people!

I think to be an A. F. S. student is an honor for me. This is also an excellent experience because I involved myself in a new life, I gained new insights into my country and this country, as well as into myself and others.

A big part of what I am now I have received from Ipswich High School, from its students and teachers.

I want to say thank you to everybody.

ADAMS, LIZ-Yes, the trout music "A trout-colored wind blows through my eyes, through my fingers, and I remember how the trout used to hide from the dinosaurs when they come to drink at the river. The trout hid in subways, castles and automobiles. They waited patiently for the dinosaurs to go away." R. Broutighan

JOURNEY'S END

Christopher, Christopher, where are you going
Christopher Robin?

"Just up to the top of the hill,
Upping and upping until
I am right on the top of the hill,"
Said Christopher Robin.

Christopher, Christopher, why are you going,
Christopher Robin?

There's nothing to see, so when
You've got to the top, what then?
"Just down to the bottom again,"
Said Christopher Robin.
